Raising the Town's Colors

Rochester Adopts a New Town Flag

The golden colors of the town's tell-tale seal contrasts well against a light blue background as it hangs draped on a hallway wall inside Town Hall. Some people stop and admire the intricate detail ... others are struck by the initial glimpse of Rochester's first and only town flag.

As per a request from the State House late last year, Rochester was the first of the three towns to design and complete a new town flag which will be hung in the Hall of Flags inside the state capitol. Officials at the State House noted that not all municipalities in the Commonwealth have an official flag, and this was an opportunity to showcase them all in one setting.

Upon this announcement, Selectman David Hughes was the first to set the wheels in motion. He immediately contacted his sister, Kathleen (Hughes) Massey, in New Bedford and asked her if she would be interested in making a flag for Rochester. Ms. Massey was flattered and eagerly agreed to design and create the flag as a gift to the town.

"I work as a Registered Nurse," she said, "but I've done various arts and crafts as a hobby for some time. I started making flags and banners about two years ago."

Although she doesn't consider this pastime her livelihood, she has made several banners and flags for family members and friends over the years. But this project represents the first example of her work which will be seen on a large scale.

"I thought it was great when my brother asked me if I'd be interested in making a flag for the town," she said. "I'm very excited that it will be on display in the Hall of Flags."

Working in her New Bedford home which she shares with her husband, James, and two children — Darren and Erin — Ms. Massey crafted the flag according to size and material specifications set forth by the state.

The light blue banner is comprised of nylon flag bunting, which is a long-lasting and wear-proof fabric specifically used for outdoor flags. "This material lasts wonderful outside, so I don't expect it will wear out at all when displayed indoors," she said.

The design itself came from an amalgamation of the Selectmen's and Ms. Massey's opinions. The board agreed, upon deciding to create the flag, that it should remain simple — displaying the town seal

On the cover: Old Man Winter may have reared its ugly head, but Rochester's Joseph H. Plumb Memorial Library makes for a pretty sight out of the tri-town's winter wonderland. And what better way to spend a cold, snowy evening than with a good book? The library is located off Rounseville Road near the Town Hall green and is open Monday, 4:00 to 8:00 pm; Wednesday, 10:00 am to 5:00 pm; and Saturday, 10:00 am to 2:00 pm. (Photo by Kenneth J. Souza.)

against a flat colored background.

Although Selectman Hughes originally preferred a white background, the board eventually settled on light blue. The town seal — which has come down through the long history of the historic New England town — was copied from a color needlepoint made by Grace Frasier.

The circular town emblem features a brown depiction of the 1611 Town Hall building — a single-story structure which was cut down when it was discovered that the lower floor was rotted and deemed unsafe — surrounded by a golden band displaying the town's name and date of incorporation: June 4, 1686.

Although she is a resident of New Bedford, Ms. Massey noted her family's long connection to the town was the main reason she was eager to offer her services. "We've spent a lot of summers in Rochester ... my family has owned a summer cottage in town for the last 40 years," she said. "Our ties to the town go back a long way."

Her brother, Selectman David Hughes, is also very proud and pleased with his sister's work. "I think she did a wonderful job," he said. "She used just the town seal which is basically what the flag should represent."

The Board of Selectmen has agreed to schedule an appointment with State Representative William Straus at his convenience so he can personally deliver the flag to the State House. They expect him to attend one of their meetings within the next two to three weeks for this purpose.

Following the signing of the payroll and bills and the approval of the minutes of the January 4, 1994 meeting and the Executive Session minutes of January 4 and December 31, the following appointments were made to the Firefighters Association with terms to expire April 30, 1994: William L. Oliver IV, 19 Tinkham Lane; Antone Lopes, 43 North Street; Keith J. Oliver, 19 Tinkham Lane; and Gary Reusch, 9 Gary Drive.

The board then granted transfers from the Reserve Fund to the Town Engineering Budget in the amount of $550 and to the Fire Department in the amount of $4,800 for expenses incurred to the repairs of the department's roof. Allan DesRoches Roofing Company was previously awarded the contract. The board also signed a Town Counsel Request for Use Form as submitted for consideration by the Building Inspector regarding improvements to an existing structure located at 4 Prospect Road.

Chairman DeCosta noted that on Saturday, January 15 at 8:00 am, a review of RFP's for North Street Engineering project will be held at Town Hall.

Outgoing correspondence for the week included a letter to Continental Cablevision regarding to Mrs. Layport's letter last week protesting the company's collection charges and a request for a street sign.

Incoming correspondence for the week included:

• A letter from the Executive Office of Communities and Development (EOCD) indicating its interest in obtaining interlocal agreements for a Shared Veterans Agent or a joint Veterans Service District from each of the Massachusetts cities and towns. Executive Secretary Carol Adams responded to the letter by sending a copy of the original Veterans Services

Agreement, dated 1970, between the towns of Mattapoisett and Rochester.

• A letter from Building Inspector Andrew Bobola bringing the Board up-to-date on the current status of 22 Harbor Road. As it stands, all boats in violation have been removed from the site.

• A letter of resignation was received from Vivianne Surprenant as the Commissioner of the Mattapoisett Housing Authority due to illness.

• Anthony and Joan Bruno submitted a note extending their thank you to the Police Department, Emergency Medical Technicians, Highway Department and Marshall Pryce for their immediate response during a recent medical emergency. Chairman DeCosta took this moment to commend the Highway Department for their work during the recent snowfall. "They did a super job," he said, referring to last weekend's accumulation.

• A memorandum was received from the Department of Education with regard to Fiscal Year 1994 Net School Spending under the Education Reform Act. Executive Secretary Carol Adams informed the board that Town Accountant Joe Bolton examined the figures. He has found them accurate and agreed that the town has met the state's requirements for minimum school funding.

• The Office of County Treasurer in Plymouth sent a memorandum regarding the Annual Report of Civil Fees required of all constables before April 15, 1994.

• From Building Inspector Andrew Bobola, a copy of a letter from Ms. Elizabeth East of Highland Avenue, regarding the creation of a "democratic school" as well as a copy of Mr. Bobola's reply.

• The Foxboro Board of Selectmen submitted correspondence urging that cities and towns of the Commonwealth oppose the stadium component of the proposed Megaplex legislation. The Foxboro board asked that State Representatives and Senators be contacted opposing this new structure which contradicts the public purpose of the state government. The proposed Megaplex would enrich a single team

Marion Selectmen's Meeting

January 11, 1994

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, January 11, 1994 at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Loretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After signing warrant number 29 for the week and approving the minutes of the January 4, 1994 meeting, the board unanimously appointed Catherine Jones of Main Street to the Tree Planting Committee and Scott Cowell of Puckerbrush Way to the Recreation Committee.

Chairman Dougall also noted three letters were being sent to state officials regarding the collection of lottery monies and the distribution percentage anticipated to the Town of Marion. Mr. Dougall said that the town is supposed to receive more money than it has been from the state's various lottery revenues.

Under the Department of Public Works (DPW) report for the week, Superintendent Rob Zora noted that the snow removal budget is quickly dwindling with the back-to-back storms that have recently hit the area. Mr. Pickles noted that a transfer could be approved if necessary. Mr. Zora also reported that pickup of discarded Christmas trees will be extended through Friday, January 14.

The board then considered the matter of Beverly Wilson's dogs, which have allegedly attacked and killed several sheep at the town's Sewage Treatment Facility. Selectman Winters

noted that due to the amount of circumstantial evidence in the case, he still wasn't prepared to render a decision. If found guilty of the killings, the board would have to recommend that Ms. Wilson recompense the town for the sheep and veterinarian bills.

"I would like to recommend getting an opinion from Dr. Tremblay on the animal hairs found at the site and concentrate on all of the hard evidence that has been collected thus far," he said. "There's so much circumstantial evidence that I'm having a tough time coming to a decision in this matter. I'd like to postpone our decision for no more than one week."

Mr. Winters' fellow Selectmen unanimously agreed to hold the matter for one more week.

Chairman Dougall next cited a memo from Harbormaster George Jennings regarding various shellfish violations incurred by Peter Frates and Dan Noble. Both Mr. Frates and Mr. Noble came before the board to protest the suspension of their shellfishing permits in town and to defend the charges brought against them by Mr. Jennings.

Having conferred with Town Counsel regarding shellfishing violations, Mr. Jennings recommended the following action be taken in his memo:

regarding the fiscal 1994 net school spending amounts for the Town of Marion. Currently, the town is expending a total of $2,544,620 on schools, which is within the parameters of the newly-passed Education Reform Act of 1993.

The board also received a copy of the Annual Beano report from the VFW Post 2425 on Mill Street. This annual report is to be filed with the town under state law.

Mr. Pickles informed the board that the Cable Advisory Committee is planning to hold a Public Hearing concerning the renewal contract with Continental Cablevision sometime during the first week of March. The town will be handling advertising announcements for this meeting.

There being no further matters to come before the board, they adjourned for the evening at 7:25 pm.

At 7:30 pm a Public Hearing was held by the Board of Health (BOH) and Regional Sanitarian Karen Walega to review and consider a proposed addition to the Marion Sanitary Code — Section XI: Tobacco — which would govern the sale and use of tobacco products throughout Marion.

The draft proposal, which is on file at the Town House for public inspection, would put strict limits on the sale of tobacco products to or by anyone under the age of 18, would ban the use of cigarette vending machines in town, and would require restaurants to isolate smoking areas from non-smoking areas with enclosed spaces (i.e. separate rooms for each).

After reading the six-page addendum to the Sanitary Code as proposed, BOH Chairman Davis T. Gallison noted that he isn't out to hurt town businesses in these trying economic times, but he is simply looking out for the health and welfare of town residents. "If a restaurant wants to have both a smoking and non-smoking area, they will have to keep them isolated from each other," he said. "This board will not tolerate smokers and non-smokers being seated side-by-side."

Residents and business owners present were mixed in their opinions on the proposed by-law. One business owner suggested that the by-law be put on the next Annual Town Election Ballot so the voters could decide. But Chairman Gallison noted that amendments to the Sanitary Code did not need to go

to a public vote. As the governing body over town health matters, the Board of Health had binding authority to institute the by-law.

Resident Frank Germano agreed with the board's recommendations. "I'm in favor of this proposal," he said. "I applaud the measure. I think many of the establishments in town are inadequate in serving the needs of both smokers and non-smokers."

Although alternate suggestions were made — including the allowance of lockout vending machines which would be guarded by proprietors to discourage underage smokers — the board remained steadfast in the by-law draft as written. They had already approved the draft as written and agreed to make a final recommendation on the amendment at their next meeting, pending the review of Town Counsel.

Rochester Selectmen's Meeting

January 10, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, January 10, 1994 at 7:02 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

There being no incoming or outgoing correspondence for the week, after approving the minutes of the January 3, 1994 meeting, the board considered Old and New Business items. Selectman Hughes began by asking that a reminder be sent to Officer Ouellette to send an explanation to the board as to why he didn't use his full vacation time within the last calendar year. Last week the board allowed him to carry over unused vacation hours from 1993 into the current calendar year.

Under New Business, Selectman Hughes requested that residents who live near fire hydrants clean and/or shovel around them if possible in the wake of last week's snowfall. "If they're unable, the Highway Department can handle it," he said, "but it would be a great help to us if they could clear the area around them as a matter of safety."

Selectman Hughes also noted that those who have requested an appointment with the board and who are placed on the agenda for the evening should specify what they'd like to address. This way the board members can have an opportunity to research the matter beforehand if necessary. "I know it's been our policy in the past, and I think we should remind everyone to give us some idea of what they're coming to see us about," he said. "I'm not singling anyone out, I just think it's a good business practice."

At 7:15 pm Shelley Visinho of King's Highway came before the board to discuss the pending establishment of an asphalt plant in town by the Tedesca Corporation. Ms. Visinho noted that

she has been following the progress of the company's applications through various town boards and has also been doing some research on the company itself.

"I'd just like to suggest that the Board of Selectmen might want to pursue further information about this company," she said. "There was a very negative article on them in *The Providence Journal* last summer regarding their plant in Lincoln, Rhode Island. I know the town officials there did not renew their lease because of problems at the plant."

Chairwoman Hawkes said she had no objections in writing to Lincoln officials about the company, but she also noted that the Board of Selectmen has no authority over the other town boards and whether they approve or deny the applicant's permits.

"I sympathize with your (being located near the plant), but we can't render a decision in this matter one way or the other," Chairwoman Hawkes said.

"I'm just concerned that in some of the hearings that were held, residents weren't allowed to voice their concerns," Ms. Visinho said. "I think the Board of Selectmen should at least have a voice in what companies are coming into town."

Selectman Hughes suggested that

representatives of the Tedesca Company be invited in to meet with the board and residents in an informal setting. "I think it would be to our advantage because residents can address any concerns and problems they might have," he said. "The meeting would be open to any questions and would be conducted by the Board of Selectmen, with (Chairwoman Hawkes) presiding. This way everyone will have an opportunity to speak and ask questions."

The board agreed to set up this meeting with the Tedesca Company and the chairs of the other town boards.

At 7:30 pm Officer James Wassmouth came before the board to make a change in the contract which was signed between the town and the Police Brotherhood last week. Officer Wassmouth noted that he met with Town Accountant Claudette Coutu and was informed that third party detail work would have to be paid under a 1099 schedule, requiring the town to withhold taxes. "We reworded one paragraph in the contract regarding the 1099 payments and the withholding of taxes," Officer Wassmouth said.

The board agreed to contact the IRS to make sure the withholding information specified in the contract is correct before approving the change.

Upon a written response from the IRS, they agreed to accept the change as made.

Conservation Commission (ConCom) Chairman Michael Soares next came before the board to discuss a matter between the Board of Selectmen and the ConCom. Chairwoman Hawkes noted that she had been asked by her fellow Selectmen to discuss a potential communication problem between the two boards. Selectman Hughes specifically cited a request which was made regarding property owned by Bruce Maksy.

Mr. Soares, however, noted that he had only received an unsigned memo which he didn't answer. "There was no signature whatsoever," he said. "I don't answer any letters which are unsigned."

Chairwoman Hawkes noted that the Board of Selectman has a similar policy regarding unsigned correspondence.

But Ms. Ferreira, who typed the request, noted it was an interoffice memo — an informal note which never requires signatures.

The memo was submitted on stationery bearing both the town seal and the names of all three Selectmen and was addressed "To: Conservation Commission, From: Board of Selectmen." The memo went on to request that the ConCom conduct an onsite review of Mr. Maksy's property regarding a

possible wetlands violation.

ConCom Advisor Georgia Chamberlain stressed that all determinations made by the commission are kept on file and copies are sent to the Board of Selectmen upon completion. She noted the board should already have all the necessary paperwork on this matter.

But Selectman Hughes said he couldn't locate a copy and had simply requested some information about the site. "We've only asked some questions and we wanted a simple answer," he said.

Ms. Chamberlain also noted that as the ConCom documents are governed under the legal protocol of the Department of Environmental Protection (DEP), no one is allowed to examine those files without due cause.

Chairwoman Hawkes noted that in the future, any written requests of the ConCom should be signed. She recommended that the board submit another formal written request for the same information before this matter went any further.

But Mr. Soares vehemently noted that allegations had been made by Selectman Hughes and, as a result, he was prepared to answer any and all questions this evening. "We want every question to be answered tonight," he said. "We're here now and we're capable of answering your request. This

has been going on for some time now, and I think the public should be made aware that Mr. Hughes is waging a personal vendetta against members of this commission on town time."

Chairwoman Hawkes asked that everyone settle down as fellow ConCom members present were also put on the defensive by Selectman Hughes' comments.

"I think this is getting out of hand now," Selectman Hughes said. "I asked a question and I wanted some answers."

Chairwoman Hawkes said the board will resubmit their request for information on this matter and thanked Mr. Soares for coming in. Before leaving, however, Bruce Maksy asked to make a comment as he was the subject of this deliberation. "This has been going on for eight years," he said. "I can assure you this is a personal vendetta by Mr. Hughes and if he insists on pursuing this matter through the town, I'll seek legal action."

At 8:00 pm, Police Chief Walter V. Denham came before the board along with Town Counsel Everett Marder and Chief Denham's Attorney, Michael Akerson. The meeting was originally called as an Executive Session to discuss possible disciplinary action against Chief Denham regarding the purchase of an IBM computer as authorized by Town Meeting on May 21, 1990. But Chief Denham asked that it be held in open session, which Mr. Marder noted in his opening remarks. "This is not a formal hearing, it's simply a meeting convened at the request of the Board of Selectmen to see if Chief Denham should be disciplined for purchasing the computer," he said.

Selectman Murphy, at whose request this meeting was held, began questioning Chief Denham about the purchase of an IBM computer in 1990 which is non-compatible with the online police information system (LEAPS/NCIC). "When you asked for the money on the Town Meeting floor ... did you know what you were going to purchase?" Selectman Murphy asked.

Chief Denham noted that in 1987 he initially applied for a hookup to the LEAPS/NCIC system, but was turned down. In 1990, he was informed that money would be made available, so he requested money from Town Meeting in the form of an article on the warrant to purchase the necessary equipment. He was green about computers and was never told that the town had to be under contract with a particular vendor before purchasing the equipment.

"No one told me at the time that we had to purchase the computer from a particular vendor," he said. "I went with the information I had on hand at the time.

"I made a mistake and purchased an IBM computer ... when I should have purchased a UniSys. But the computer is being used for town business on a daily basis. There was no intentional misappropriation of funds."

Selectman Murphy noted that although the computer was purchased and is in use at the department, he just feels it was an example of poor management on Chief Denham's part. He felt that Chief Denham should have done further research before making the purchase.

Mr. Akerson, Chief Denham's attorney, noted that the matter seems clear cut. "I don't see this as a tough call," he said. "I don't think this is a matter of malfeasance or ill intent. Chief Denham purchased a computer which he thought could be used for the (LEAPS/NCIC) system."

"When I was elected, I made a promise to run the town like a business," Selectman Murphy said. "It's my opinion that (Chief Denham) should have done a better job in researching the purchase of the computer. I think it was poor management on his part ... and I'd like to have a written reprimand placed on file."

Selectman Murphy's motion was not seconded and Selectman Hughes asked that they hold the matter for one week for further consideration.

"Hasn't this been dragged out long enough?" Chairwoman Hawkes responded. "Why do we need another week to consider this?"

"Isn't it my prerogative to consider this for a

week?" Selectman Hughes asked. The board thereby passed his motion via a majority vote, with Chairwoman Hawkes remaining in sole opposition.

Following the meeting, Selectman Murphy noted that he isn't out to crucify Chief Denham, he simply wants to prevent similar "mismanagement" from happening in the future. "When the people of this town vote for money to be spent in certain areas, it should be used for that purpose," he said.

There being no further matters to consider, the board adjourned for the evening at 8:50 pm.

Marion on Sunday, January 16 at 4:00 pm. A harmony of styles — Swing, Bossa Nova, Rock, and others — will be presented by the Tabor Academy Jazz Band under the direction of Phil Sanborn. The band features Joshua Finkelstein on piano, Marc Friedman on bass, and Andrew Barr on percussion.

The Tabor Academy Jazz Band has a long tradition and an exciting reputation. These players have been honing an edge to their playing for two years, and the results promise to make for an enjoyable Sunday afternoon.

The Music Hall was designed to provide a performance space for community groups. The Men's Fellowship presents a salute to that tradition and invites all residents of Marion, Mattapoisett, Rochester and Wareham to this special treat in this special historic location. Come and see the Music Hall, enjoy good music and join us for coffee, special desserts, tea and cider. There is no charge for the music or refreshments. Bring your spouse and children to enjoy this special event.

The Music Hall is located on Front Street in Marion, opposite Island Wharf. There is plenty of parking on the wharf.

The Men's Fellowship is a non-denominational discussion group that meets for breakfast once a month at St. Gabriel's Parish Hall to enjoy each other's company and hear from good speakers on topical issues. All are invited to join us. If you are new to our towns, this is a perfect way to get to know some of the men you have been passing on the commuter way.

Please call Dan McGaffey at 291-1262 or St. Gabriel's office at 748-1507 for more information about the Music Hall Salute or the upcoming magical Valentine's Dinner on February 19.

Town Employee Retires from Service

Barbara Sawyer , a longtime clerk employed at the Mattapoisett Town Clerk's office, announced her retirement last week from public service. Ms. Sawyer, a New Bedford native who has served the Town of Mattapoisett since 1969 and has put in over 24 years of dedicated service, was presented with a certificate of appreciation from the Board of Selectmen — Daniel O. Mahoney, John N. DeCosta, and Paul E. Lambalot — during a retirement party held in her honor at Town Hall last Friday (January 7). Mr. DeCosta noted that Ms. Sawyer's service to the town has been both noteworthy and much appreciated.

Police Bulletin

There is a new gang initiation! This new "initiation" of murder is brought about by gang members driving around with their car lights off. When you flash your headlights to signal them that their lights are out, the gang members take it literally as "lights out," so they follow you to your destination and kill you! That is their initiation.

Two families have already fallen victim to this initiation ritual in the St. Louis and Chicago areas.

This information should be given wide spread distribution ... beware and inform your families and friends of this matter: DO NOT FLASH YOUR CAR LIGHTS FOR ANYONE. *(This information has been furnished by the Illinois State Police Department.)*

PTA to Sponsor Family Skating Event

The Mattapoisett PTA will proudly sponsor a Family Fun Roller Skating event at the Carousel Skating Rink in Fairhaven on Sunday, January 23 from 4:30 to 6:30 pm. The cost for the event is $1.50 per person or $5.00 per family (with a 50-cent discount for those with a PTA card). Bring your friends! All proceeds from the admission price will benefit the Mattapoisett PTA. Skate rentals will be available for $1.00, along with various refreshments and snacks.

Mattapoisett Congregational Church

To speak of God calling people seems so archaic. That took place long ago in Biblical times, but no one hears the voice of God today.

Not so. God is actively seeking us today ... but we need to ask how we perceive or discern that call. The call is offered to everyone, even children. The readings and sermon will explore the variety of ways God makes the "call" known to us.

"God: Still Making House Calls" will be the title of this week's sermon. Our worship service begins at 10:00 am and all are welcome.

On the second Friday of each month, Reverend Patch will be conducting a series of six videos with Robert Bly and Marion Woodman. They will take us on an exploration of our inner selves, helping us to understand our own dynamics, and to live more honestly with ourselves. Please join us in Reynard Hall on Friday, January 14, from 7:00 to 9:00 pm. All are welcome!

Do you want to raise responsible children?
Allow them responsibility.
Do you believe children are innately creative and capable?
They are.
Do you believe there is something wrong with our system of education?
There is.

We are starting a democratic school, a place where children learn to be responsible for themselves and to their community. It's a place where children are allowed to develop their innate talents and capabilities — and our children are much more capable than we think they are.

"Education reform" is not reform: it's simply more of the same, and that's not working.

Come to a meeting to learn about the democratic school. We need to change our ideas about how we educate our children, and why we do what we do. We're looking for parents, teachers, and the curious.

Salt Works Revisited

In the late 1700's, Mattapoisett was one of the leading salt-producing communities in the Northeast. Salt was extracted from sea water by means of solar evaporation and was an important commodity for preservation of food as well as other commercial uses.

On Tuesday evening, January 25, Seth Mendell will present an illustrated lecture on the old salt industry and salt works of Mattapoisett and vicinity. Seth is most knowledgable about this topic as it was the theme of his Master's Thesis, plus the fact that his father, Charles Mendell, was one of the founders of the Museum and its first Curator for several years.

The program will be held at the Museum and Carriage House on 5 Church Street in Mattapoisett at 7:30 pm. The public is invited to attend.

The Book

The reprinting of *Mattapoisett and Old Rochester* has been an overwhelming success. The first order of 100 copies has been received and most all copies have been picked up with the exception of the following people:

Julie Lariviere, Bob Austin, Ray Covill, Michelle Demakis, Mike Esposito, Brenda Gibbons, Peter Hodges, Joe Hoffenspriger, Susan Koczera, Richard Prouty, Bob Say, and Rebecca Wilhemsen. These people may pick up their books at the

Last Chance to Register for Boating Course

A final registration for the United States Power Squadron's boating course will be held on Tuesday, January 18 at 7:15 pm at ORR High School (Route 6 in Mattapoisett). This course qualifies as the Safe Boating Course that young people under 16 must take and pass if they want to be certified to operate boats with a 25-or-more horsepower motor without adult supervision.

Also, adults can save on insurance if they take a basic boating course like this. Statistically, boating course graduates have good boating records, making them better risks for marine insurance companies.

In the six two-hour sessions of the course, students will be introduced to the basics of 14 subjects: reading charts and understanding aids-to-navigation; safe boat operation; elementary seamanship; sailing; engine trouble-shooting; course plotting practice; boating equipment required by

federal and state regulations; radio-telephone procedures; boat handling; docking and undocking; weather prediction; trailering your boat; and marlinspike seamanship (tying knots that hold).

The seventh session is a final exam.

Anyone is welcome to sign up for the course. There are no age restrictions. Boat ownership is not required. Instruction is FREE, the only cost being for materials plus $7 to help defray the cost of classroom rental.

If you are starting from scratch, it's a good idea to purchase the Boating Course Kit for $25, which includes a student manual, a course plotter, and dividers. If you already have plotting equipment, you can purchase the student manual separately, priced at $15.

If more than one member of your family takes the course, you'll need only one manual, but an extra set of homework questions for each additional family member. These are $4 per set. A practice chart and a piece of rope for practicing marlinspike cost an additional $2.

The total cost if you have no equipment at all is $34 for materials and classroom rental. For more information, please call Walt Sawyer at 758-2769, Gale Hudson at 758-6407, or Jean Kittredge at 758-3924.

The Friends of the Elderly — Mattapoisett

Games

Games are held at Village Court every Wednesday from 1:30 to 3:00 pm.

Workshops

Workshops will begin on January 18 from 1:30 to 3:00 pm, also at Village Court. On all following months, the workshop will take place on the second Tuesday. The people from the Friendly Harbor Day Care Center will be joining the Friends of the Elderly and anyone else who may be interested in making small gift items to distribute in various nursing homes for Valentine's Day. Anyone wishing to help out at this time or any second Tuesday of the month will be most welcome. For more information, please call Nancy at 758-6900.

Walking Club

We have had a hard time getting out to do our walking, since the weather has been so bad. Let us hope it will be better soon. Meanwhile, we continue to meet at St. Anthony's parking lot on Tuesday afternoons at 12:30 pm.

SHARE Program

What's the best way to make a difference in your family's food budget and help your community at the same time? SHARE!

SHARE is a non-profit food distribution and community building program that recognizes that everyone has their own special gift to give the community. It is not a government program. Community giving can be working for an organization, helping a neighbor (grocery shopping,

St. Gabriel's Church — Marion

January 16 is the second Sunday of Epiphany, the coming of the Magi, the first manifestation of the Lord to the gentiles. St. Gabriel's Episcopal Church in Marion will celebrate Holy Communion at 8:00 am in the Chapel and Family Eucharist at 10:00 am in the Church on this day.

On Monday evening, January 17, the Vestry will meet to consider the final form of the 1994 budget. This meeting is open to any interested member of the congregation.

St. Gabriel's Episcopal Church will also celebrate Holy Communion at both the 8:00 am Chapel service and the 10:00 am Church service followed at 11:00 am by an open meeting to consider the 1994 Annual Budget. Please note that the Annual Meeting of the Parish will take place on January 30.

Tri-Town Early Advisory Council to Meet

On Wednesday, January 19, beginning at 3:00 pm, the Tri-Town Early Advisory Council will meet at Memorial School in Rochester. The council will reorganize due to the resignation of long-time council co-chair, M'Lou Douglass, who has accepted a position as an Assistant Principal in the Falmouth Public School system. A report on the Validators' visit from the National Academy of Early Childhood Programs to Project GROW will be presented. Interested community members are invited and encouraged to attend.

to Tri-Town area families, the ORR School District has collaborated with the Kennedy-Donovan Early Intervention Program and the I. H. Schwartz Early Intervention Program to offer screening clinics in Marion, Mattapoisett and Rochester for children from birth to age three. These clinics will be held in conjunction with the district's regular screening clinics for three- and four-year-old children.

Like the clinics, families who question their child's development will have the opportunity to bring the child for a screening appointment. If further services are needed, the Early Intervention Program will provide what is necessary. Early Intervention Programs are responsible for providing these services for the birth to age three population. Local school districts are responsible for providing such services for three- and four-year-olds.

Teams from Kennedy-Donovan and I. H. Schwartz will conduct the screenings for children from birth to age three. Project GROW staff will conduct the screenings for three- and four-year-olds.

The first of these expanded screening clinics is scheduled for Friday, January 21 at Center School on Barstow Street in Mattapoisett. Future expanded screening clinics are slated for March 25 at Sippican School in Marion, and May 27 at Memorial School in Rochester.

To make appointments for screening clinics, call the Sippican School at 748-0100. Be sure to indicate the age of your child so that he/she is scheduled with the appropriate team. For further information on screening and early intervention, call Jane Taylor, Early Childhood Coordinator, at 748-1863.

Mattapoisett Christmas Tree Pickup

The Mattapoisett Highway Department will pick up Christmas trees on regular rubbish collection days this week — January 13 and 14. Please place trees butt end toward the street on your regular rubbish pickup day.

Rochester Christmas Tree Disposal

The Rochester Highway Department will once again be accepting discarded Christmas trees for disposal at the town's Highway Barn on Cushman Road now through the end of January. Please bring your trees to the facility any time of the day and leave them where the posted signs indicate.

Marion Natural History Museum

On Thursday, January 20 at 7:00 pm, the Marion Natural History Museum will host a program given by Peter Fletcher and Jim Tureen of the Plymouth County Soil Conservation Service. Get to know how the soils of this area were formed, their colors and textures, what animals live in the soil, and how they were mapped. Also, bring your kids to visit "the soil tunnel," in which they can get a close up look at what is underneath their feet.

The Marion Natural History Museum is located on the second floor of the Elizabeth Taber Library on Spring Street in Marion. For more information, please call 758-9089.

"Exploring the Extraordinary" will survey works of non-fiction which deal with the lives of men and women who have demonstrated exceptional capacities — capacities enabling these individuals to function at the outer limits of human potential. Such capacities range from extraordinary perception and ways of knowing to exceptional athletic mastery and healing prowess, including unusual abilities in communication, love, vitality, will power, and nonordinary states of consciousness.

The course will stress the lives of real people and their abilities to integrate body, mind and spirit. Tabor seniors and area residents will grapple with discussion questions in small groups. The course

Old Colony Senior Nominated for Award

Recently, an Old Colony senior, Michael Trott, was nominated for the Servi Star's Tools for Tomorrow All-American Vocational Student Awards Program. Michael is currently ranked number one in the senior class and is a member of the National Honor Society.

Michael's application will now be judged by a panel of Massachusetts vocational teachers and directors. The panel will then choose one winner from the state. That winner will receive a $500 U.S. Savings Bond. If successful at the state level, Michael will then move on to the national level.

Sippican Historical Society

The Sippican Historical Society, opposite the General Store in Marion, will open once again in the spring on Saturday and Sunday mornings as soon as the repairs and redecorations are finished. We need volunteers to do this, however. Please phone for further information or for an appointment to see the museum — 748-0927 (days) or 748-1375 (evenings).

We are also hoping to complete our set of Marion Town Reports. We could trade our duplicates for any of the following: 1852-1884, 1886-1889, 1891, 1892, 1893, 1903, 1906, 1927, 1928, 1951-1962, 1967, 1968, 1969, 1974, 1978, to the present. Please phone 748-3036.

The Society is also very interested to hear of or to see any photos, maps, or historical records about the Fessenden experiments in trans-Atlantic wireless telegraphy, both the receiving and the transmission, which started in 1906 and grew to be very successful during World War I and World War II. Names which may help trigger the memory are Alexanderson alternators, National Electric Signaling Company, Brant Laboratories, and Van Rennes. If you can help, please call 748-0355.

Mattapoisett PTA Meeting

Debbie DeWalt, President of the Mattapoisett PTA, welcomed all present. Debbie updated those present on some of the ideas she wanted to share and discuss, one of which included an Open House/ Parent Night in the near future. Many possibilities were discussed including a possible panel discussion regarding certain children's advocacy issues.

Another idea suggested would be to have a short business meeting and then a video that is made available from the state PTA office. A third idea was to have a speaker address the group of either parents alone or parents with children. Debbie and the board liked the idea of sponsoring a panel discussion on the issues facing children and schools in the town. Further details will be forthcoming.

The Secretary's and Treasurer's reports were read and accepted.

Genia Griffiths resigned her position as Recording Secretary due to family commitments and her inability to attend the meetings. Debbie Jones will be taking over her duties until her term expires.

Mr. Murphy and Mr. Reed had no requests for the PTA at this time. Duane Smith, Old Hammondtown School representative, thanked the PTA on behalf of the teachers and students at OHS for the "Journey Into Jazz" performance held on December 20. It was well-received and enjoyed by all.

Duane, who is also the OHS Council Representative, reported that the School Council is

working on a "Mission Statement," which consists not so much of goals for OHS, but for what OHS stands for. Donna Bernier, Center School's Council Representative, reported the same.

A question was asked as to the status of the Building Needs Committee. Donna Bernier was unable to attend the December meeting, but Mr. Murphy said he sensed from the meeting that a committee has not been formed yet.

The Ways and Means Committee presented the possibility of the Woman's Club Birthday Calendar as a new fundraiser since the Woman's Club does not wish to continue it in the future. After a lengthy discussion, the board voted to approve the fundraiser with the knowledge that it would take many volunteers to canvass neighborhoods selling the calendars and gathering the birthday information.

There will be a Skating Party at the Carousel Skating Rink in Fairhaven on Sunday, January 23 from 4:30 to 6:30 pm. Admission will again be $1.50 per person, or $5.00 per family. A 50-cent discount will apply for those showing their PTA card.

At the close of the meeting, Debbie asked the members of the board to write job descriptions that can be kept on file for the future. If members wish to change their jobs, they would have a description on file and also an idea of the time element involved in the other positions. She also wanted people to think whether they would remain in their present positions, retire, or change to another position on the board.

The playground will be addressed in the spring so that the group can be sure that a safe play

Old Colony Students Earn Awards

Four students at Old Colony Regional Vocational Technical High School in Rochester will be recognized in the President's Youth Service Award Program. Each student will receive a commemorative pen and certificate of recognition. The awards program is administered by the White House Office of National Service and the Commission on National and Community Service. The program recognized individuals who have provided meaningful service to the school or community. Each student is eligible for further recognition at the state and national levels.

Old Colony recipients include: Michael Trott of Rochester (President's Award); Jennifer Hebert of Rochester (National Award); Richard Bertrand of Rochester (National Award); and Nicole St. Amand of East Freetown (National Award).

Child Care Program

The YMCA of Greater New Bedford offers licensed Child Care programs designed for all kinds of children and parents. A Full-Day Child Care Center for children ages 2.9 - 6 years old is located at the downtown facility on Water Street in New Bedford. The organization also offers quality after school care for children in Grades 1 through 6 at the YMCA Youth and Family Center in Mattapoisett. Limited transportation to the program is available.

Both of these programs provide children with an opportunity to engage in activities which benefit them emotionally, physically and educationally. In addition, we teach children important social skills like sharing and how to get along with others.

Parents interested in receiving more information on these programs should call either 997-0734 (Full-Day Child Care) or 758-4203 (After School Child Care).

SHINE Counselors Needed

Understanding the many and frequently complex health insurance options available to older persons can be an overwhelming challenge. In Massachusetts, elders can obtain information, counseling and assistance regarding health benefits options through a statewide network of trained volunteer health benefit counselors.

The SHINE (Serving Health Information Needs of Elders) Program trains and certifies volunteer counselors to assist elders in understanding the individual health insurance needs and options (both private and public) available to them and their rights under Medicare, Medicare Supplement insurance and Medicaid.

Additional volunteer counselors are being sought to participate in state-certified training sessions to be held in February at Coastline Elderly Services, 1646 Purchase Street, in New Bedford. Interested volunteers should contact Carolyn Avery, Regional SHINE Coordinator, for an application and information at 999-6400.

The SHINE Program is administered by the Massachusetts Executive Office of Elder Affairs (EOEA) through local Councils on Aging and Home Care Corporations.

Lloyd Center — Dartmouth

Raptors of Lakeville

Join the Lloyd Center on Sunday, January 16 to view the many hawks and eagles as they soar above the lakes and ponds of Lakeville. This walk will be led by Karen Holmes, who has discovered that immature bald eagles' plumage varies from year to year and from individual to individual, thereby allowing her to identify specific individuals. This walk is set to begin at 9:00 am and will conclude at 12:00 noon.

The fee for this walk is $4 for members and $6 for non-members. Please pre-register by calling 990-0505.

Hydroponics

Have you ever bought greenhouse lettuce at the supermarket? If so, then you've probably benefited from the farming technique called hydroponics. Hydroponics is an efficient technique that uses little in the way of land and produces a good supply of vegetables.

On January 23 from 1:30 to 3:30 pm, the Lloyd Center will be sponsoring a walk on Hydroponics. Chris Killenberg of Gooseberry Farm will be showing participants why hydroponics is so efficient and how its production benefits local residents.

The fee for this program is $4 for members, $6 for non-members, and $1 for children under 12. Please pre-register for this event by calling 990-0505.

Future events to look forward to include the Naturalist's Journal on January 29, the Acushnet Cedar Swamp on January 30, and the Winter Tree Identification on February 6. For more information on these and other upcoming events, please call 990-0505.

Tourette Syndrome Support Group

A support group for parents of children with Tourette Syndrome meets the second Wednesday of each month from 7:00 to 9:00 pm in New Bedford. Directions and more information may be obtained by calling Thomas at 992-6543.

Nursing Program at Upper Cape Cod Regional

The School of Practical Nursing at Upper Cape Cod Regional Vocational Technical High School is accepting applications for the 1994 - 1995 class. They may be picked up at the school office, Monday through Friday, 8:00 am - 3:30 pm. The application deadline is January 28.

A booklet describing the test may be picked up at the school office Monday through Friday, 8:00 am - 3:30 pm.

Foster Parents are Needed

The Department of Social Services (DSS) and Massachusetts Association for Foster Parenting cordially invite you to a coffee hour so that you can have the opportunity to learn more about becoming a foster parent. Informational meetings are held every third Tuesday of the month from 7:00 - 8:00 pm. Meetings are held at the DSS Office, 800 Purchase Street, New Bedford, MA. Please call 997-3361 before the next meeting to confirm your attendance.

A powerful prayer to the Holy Spirit -

Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. Y.M.
